## VISION AND MISSION STATEMENT

Life skills/social development- The child is equipped with skills to function in his/her environment on a daily basis. Children are taught a code of conduct that incorporates values, ethics, and manners.

**Numeracy** - Mathematical skills, shapes, colors, numbers, and perception. Our Grade R's are able to do addition, subtraction, and word sums.

**Literacy** - Language development and reading is enhanced. Poetry, storytelling, and reading from the basis of the lessons. Gross motor - This is essential for the child's development in all aspects. Lessons enable children to follow instructions. It teaches them to relax and also body and spatial awareness. Fine motor development is also incorporated.

**Art** - Creativity is essential for the child's development. Essential skills such as holding brushes, glue sticks, arm movement in painting, cutting skills and many more skills are taught.

**Music** - Skills such as body movement, listening skills, and instrument playing are enjoyable to most children. Music is a creative outlet for their talents.

**Science** - Discovering the reason for unexplainable phenomena is something children will never forget. How to light a bulb with a battery or what causes bread to rise and seeing how a plant grows from a bean are some of the lessons incorporated into our science lessons.

**Emotional Development** - Important for all children is their self-esteem and their sense of achievement. Children are taught to be confident, learn to express their feeling, and also how to cope with their fears and anxieties.
